

WITCHFINDERS WALKTHROUGH

HAVE YOU TRIED....

1. Talking to Hector?
2. Looking around in the Pharmacy and getting some stuff?
3. Talking to Alexina?
4. Buying stuff from the butcher?
5. Going home to check how you can use the inventory?

IF YOU ARE STILL CURIOUS

There are two missions, and to finish the game, you have to heal the child and either help Alexina or screw it up completely. Or just do witchy witchy stuff but then no points for you!
