

Steam and Sacrilege Walkthrough Head Start

Bored with all the railroading? In too much of a hurry for silly things like plot development and character arcs? Want to jump ahead to the open sandbox that is the Automatic Hotel?

Simply type "GIMMEAHEADSTART" to skip to the action...and also into trouble...

Once you've used this cheat, you'll be in the present day as the new main character, Miriam. You'll be inside the hotel, searching for your lost husband.

Good luck.
